

# Gyprock Concerto™ Cornice

Concerto is part of Gyprock's Inspirations range of cornice profiles. One of the most versatile cornice designs in the range, Concerto combines smooth curves, distinctive lines and sharp centre step to make this 90mm cornice the ideal way to introduce a more formal style into a bedroom or living space.

The dramatic shadowing effect it creates changes the mood of the room at various times of the day – by the evening, you will see a delightful shadow on the Concerto cornice that instantly adds depth of character to the room.

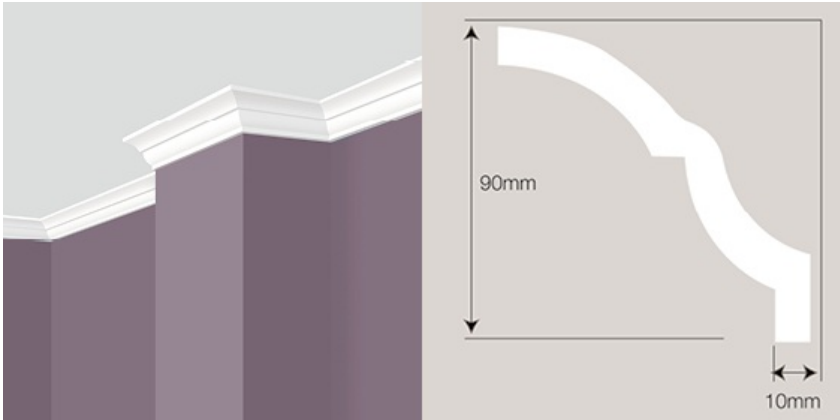

Concerto can be installed with the stepped edge either facing up or down to create a completely different effect.

To see how Concerto can enhance your room check out our [cornice visualiser](#) and download our [HomeStyle magazine](#) for great ideas and style tips to create the look you love.

The soft curves of [Gyprock Symphony](#) complement Concerto perfectly to give spaces like dining and lounge rooms a more traditional or formal style.

Plasterboard cornice is extremely easy to cut, join and paint with no special tools or fixing equipment required, making it a cost-effective way to create great ambience at home.

Consider cornice when you are planning a new home to add detail and a personal touch. For a complete look, keep your architecture and door hardware in theme with your cornice style.

# Cornice Manufacture

Gyprock Concerto cornice is composed of gypsum plaster encased in a strong linerboard and is manufactured to stringent product specifications.

## Installation

Comprehensive installation instructions for Gyprock cornice can be found under the [Resources](#) tab and include:

- [DIY installation guides](#)
- [DIY installation videos](#)
- [Residential Installation Guide](#)

For assistance with installation, try searching for a Gyprock plasterer, builder or repairer under the [Locations](#) tab

## Painting and Decoration

Finishes applied to cornice surfaces can have a significant effect on the perceived quality of the installation, particularly where critical lighting conditions exist.

- Matt finishes minimise imperfection visibility
- Semi-gloss and gloss finishes highlight imperfections
- Light colours are less likely to show imperfections

Gyprock recommends paint systems consisting of one coat of a plasterboard sealer followed by two coats of finishing paint. Always follow the manufacturer's instructions for application and recoating.

Gyprock recommend decoration in line with [Master Painters Australia](#).

## Material Safety

### MSDS

A [Material Safety Data Sheet](#) for Gyprock cornice is available from the Gyprock website under the [Resources](#) tab.

### Handling

For guidelines on the safe handling of Gyprock cornice, reference should be made to the Gypsum Board Manufacturers of Australasia (GBMA) publication *"Move it the GBMA Way – A Safe Manual Handling Guide for the Plasterboard Industry – Training Guide"* (Reference SS172).

Be inspired by projects that include Gyprock Concerto.

The Concerto cornice and statement wallpaper add flair and wow-factor to this home office. In the evening, this cornice throws a dramatic shadowing effect, organically changing the mood. See more in our [HomeStyle magazine](#)

Concerto's soft, complex curves complement any relaxation space such as this home theatre featured in edition two of [HomeStyle magazine](#)

Colourful cornices add a splash of unique character to a whimsical kid's bedroom. The gentle curves of the Concerto cornice make it one of the most adaptable styles in the Gyprock cornice range. See this room in the first edition of [HomeStyle magazine](#)
